Chairman Wood reported as follows: We are here today on behalf of the Allegany County Capital Resource Corporation to hold a Public Hearing for the Alfred University Project. This public hearing is required under Section 859-a of the General Municipal Law (as provided in the certificate of incorporation of the Corporation). The purpose of this public hearing is to solicit public comment on the proposed project for Alfred University. The comments received today at this public hearing will be presented to the members of the Corporation at a subsequent meeting. We are not here to answer questions, although in the course of the hearing we will consider questions if we have the information to answer the question and there is sufficient time to consider such questions.

The comments will also be forwarded to the Board of Legislators of Allegany County in connection with obtaining approval for the issuance of the bonds described in the public hearing notice.

By way of background, the notice of public hearing was published on June 14, 2015 in the Wellsville Daily Reporter Sunday Spectator. Publication of the public hearing notice in the Wellsville Daily Reporter satisfies the requirements contained in the General Municipal Law and the Internal Revenue Code. In addition, as required by New York law, the notice of this Public Hearing was mailed on June 16, 2015 to the Village of Alfred, the Town of Alfred, the Alfred Almond School District and Allegany County. Lastly, copies of the Public Hearing Notice were posted on the Corporation’s website on June 26, 2015.

By way of operating rules, I would ask that if you wish to make a public comment, please raise your hand, identify yourself for the record and then make your comment. I ask that you keep your comments to no more than five minutes.

Now, before formally beginning the public hearing, I am going to suggest waiving the full reading of the public hearing notice, unless there is any objection, and instead request that the full text be inserted into the public record. I will now open the hearing at 10:09 a.m. for comments:
COMMENTS

- Alfred University representatives had no comment to make.

- Pete McClain, Alfred Village Trustee, asked what the project entailed. Attorney Seth Pullen commented the 1991 Capital Bond for construction and infrastructure was refinanced in 1998. Alfred University is now refinancing that 98 Series Bond which has a $9M balance. The Allegany County CRC is involved as Issuer of the bond, which was previously issued by the ACIDA. New regulations state that IDA’s can no longer issue bonds for civic facilities and the CRC was established for such projects.

- Trustee McClain asked if the CRC is a finance group. Attorney Pullen stated the CRC issues bonds for local development to take advantage of IRS rates. It is separate from the ACIDA, but mirrors the IDA with the same board members. The CRC provides reduced interest rates in comparison to local banks. This project will help Alfred University and the economy.

- Trustee McClain asked if the CRC was new. Attorney Pullen stated it was established by the County Legislature in 2009.

With there being no further comments, Chairman Wood suspended the session at 10:17 a.m. until the required 30 minutes are fulfilled for further guests to arrive.

With no further guests or comments, the Public Hearing was closed at 10:40 a.m.

Respectively submitted,

CATHLEEN L. WHITFIELD, CFO
Acting Recording Secretary
