WHEREAS, by further resolution adopted by the members of the Agency on February 8, 2024 (the "Retail Finding Resolution"), the Agency (A) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance in respect of the Project pursuant to Section 862(2)(a) of the Act because the Project Facility is located in a highly distressed area, (B) determined, following a review of the Public Hearing Report, that the Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York and (C) determined that the Agency would proceed with the Project and the granting of the Financial Assistance; provided however, that no financial assistance would be provided to the Project by the Agency unless and until the Chairperson of Allegany County Board of Legislators, as chief executive officer of Allegany County, New York, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Project; and

WHEREAS, the Agency desires to encourage the Company to preserve and advance the job opportunities, health, general prosperity and economic welfare of the people of Allegany County, New York by undertaking the Project in Allegany County, New York; and

WHEREAS, in order to consummate the Project and the granting of the Financial Assistance described in the notice of the Public Hearing, the Agency proposes to enter into the following documents (hereinafter collectively referred to as the "Agency Documents"): (A) a certain lease to agency (the "Lease to Agency" or the "Underlying Lease") by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the "Leased Premises"); (B) a certain license agreement (the "License to Agency" or the "License Agreement") by and between the Company, as licensor, and the Agency, as licensee, pursuant to which the Company will grant to the Agency (1) a license to enter upon the balance of the Land (the "Licensed Premises") for the purpose of undertaking and completing the Project and (2) in the event of an occurrence of an Event of Default by the Company, an additional license to enter upon the Licensed Premises for the purpose of pursuing its remedies under the Lease Agreement (as hereinafter defined); (C) a lease agreement (and a memorandum thereof) (the "Lease Agreement") by and between the Agency and the Company, pursuant to which, among other things, the Company agrees to undertake the Project as agent of the Agency and the Company further agrees to lease the Project Facility from the Agency and, as rental thereunder, to pay the Agency's administrative fee relating to the Project and to pay all expenses incurred by the Agency with respect to the Project; (D) a payment in lieu of tax agreement (the "Payment in Lieu of Tax Agreement") by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility; (E) a uniform agency project agreement (the "Uniform Agency Project Agreement") by and between the Agency and the Company regarding the granting of the financial assistance and the potential recapture of such assistance; (F) a certain recapture agreement (the "Section 875 GML Recapture Agreement") by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes; (G) a sales tax exemption letter (the "Sales Tax Exemption Letter") to ensure the granting of the sales tax exemption which forms a part of the Financial Assistance; (H) a New York State Department of Taxation and Finance form entitled "IDA

Appointment of Project Operator or Agency for Sales Tax Purposes” (the form required to be filed pursuant to Section 874(9) of the Act) (the “Thirty-Day Sales Tax Report”) and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the “Additional Thirty-Day Project Report”); (I) if the Company intends to finance the Project with borrowed money, a mortgage and any other security documents and related documents (collectively, the “Mortgage”) from the Agency and the Company to the Company’s lender with respect to the Project (“the “Lender”), which Mortgage will grant a lien on and security interest in the Project Facility to secure a loan from the Lender to the Company with respect to the Project (the “Loan”); (J) if the Company requests the Agency to appoint a contractor or contractors, as agent(s) of the Agency (each, a “Contractor”) (1) a certain agency indemnification agreement (the “Contractor Agency and Indemnification Agreement”) by and between the Agency and the Contractor, (2) a certain recapture agreement (the “Contractor Section 875 GML Recapture Agreement”) by and between the Agency and the Contractor, (3) a sales tax exemption letter (the “Contractor Sales Tax Exemption Letter”), and (4) a Thirty-Day Sales Tax Report (the “Contractor Thirty-Day Sales Tax Report”) and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the “Additional Thirty-Day Project Report”) (collectively, the “Contractor Documents”); (K) if the Company intends to request the Agency to appoint (1) the Company, as agent of the Agency and (2) a Contractor, as agent of the Agency prior to closing on the Project and the Lease Agreement; agency and indemnification agreements, interim Section 875 GML recapture agreements, interim sales tax exemption letters and interim thirty-day sales tax reports (collectively, the “Interim Documents”); and (L) various certificates relating to the Project (the “Closing Documents”);
