## ATTACHMENT TO APPLICATION FOR FINANCIAL ASSISTANCE

### First use Local Labor Workforce

Project applicants (the "Company"), with projected / committed capital investment for facility construction of greater than or equal to \$5,000,000, as a condition to receiving Financial Assistance (including a sales tax exemption, mortgage recording tax exemption, real property tax abatement, and/or bond proceeds) from the Allegany County Industrial Development Agency (the "Agency"), will be required to employ good faith efforts to utilize qualified Local Labor first, as defined below ("First Use Local Labor"), for all projects involving the construction, expansion, equipping, demolition and/or remediation of new, existing, expanded or renovated facilities (collectively, the "Project Site"). Local Labor is defined as individuals residing in the following Counties: Allegany, Steuben, Chemung, Schuyler, Genesee, Orleans, Monroe, Wyoming, Livingston, Wayne, Ontario, Seneca, Yates, Niagara, Erie, Chautauqua and Cattaraugus (collectively, the "Local Labor Area"). First Use Local Labor includes a good faith 90% local labor goal of the total number of Project employees, excluding construction project management and the general contractor, of subcontractors or subcontractors to a subcontractor (collectively, the "Workers") working on the Project Site residing within the Local Labor Area. Companies do not have to be local companies as defined herein, but must strive to first employ local Workers residing within the Local Labor Area. It is understood that at certain times, Workers residing within the Local Labor Area may not be qualified or available with respect to a Project. This could include the following circumstances: (i) warranty issues related to installation of specialized equipment or materials whereby the manufacturer requires installation by only approved installers; (ii) specialized construction for which qualified Local Labor Area Workers are not qualified or available; (iii) documented lack of Workers meeting the Local Labor Area requirement; or (iv) cost differentials in bids whereby use of local labor increases the construction cost of the project in the sole opinion of the Company.

### Local Labor Reporting Requirement

Companies authorized to receive Financial Assistance from the Agency will be required to file or cause to be filed a Local Labor Utilization Report (the "Report") on such form as made available by the Agency, and as directed by the Agency, which will identify, for each Worker, the city, town, or village and associated zip code that each such Worker is domiciled in. In the event a subcontractor or subcontractor to a subcontractor refuses to provide, or otherwise is unable to provide Worker data, Company will not be penalized in any way so long as Company notifies the Agency of this inability. The Report shall be submitted to the Agency or its designated agents as follows: (i) immediately prior to commencement of construction activities; and (ii) on or by the next following quarterly dates of January 1, April 1, July 1, and October 1 and each quarterly date thereafter through the construction completion date. If Agency staff determines that: (i) the Local Labor goal is not being met for other than i) warranty issues related to installation of specialized equipment or materials whereby the manufacturer requires installation by only approved installers; (ii) specialized construction for which qualified Local Labor Area Workers are not available; (iii) documented lack of Workers meeting the Local Labor Area requirement; or (iv) cost differentials in bids whereby use of local labor increases the construction cost of the project; then written justification by the company must be submitted to the agency as to the reason the goal is not attainable. If there is no reason given and no good faith effort was made to meet the goal, then the Agency may commence negotiation of an amended Financial Assistance proposal commensurate with the attainable Worker metric in accordance with the terms of the underlying agreements between the

Agency and the Company with respect to the Project. The foregoing terms have been read, reviewed and understood by the Company and all appropriate personnel. The undersigned agrees and understands that the information contained herein must be transmitted and conveyed in a timely fashion to all applicable subcontractors, suppliers and materialmen. Furthermore, the undersigned realized and understands that failure to abide by the terms herein could result in the Agency revoking a portion of Financial Assistance, whether already received or to be received by the Company, as it deems reasonable in its sole discretion for violation hereof.
