NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF ALLEGANY COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Having reviewed the Application and such other items as the Agency deems pertinent pursuant Section 862(2) of the Act (the “Project Qualification Documents”), the Agency hereby finds and determines as follows:

Section 2. Based upon the foregoing review of the Project Qualification Documents and based further upon the Agency’s knowledge of the area surrounding the Project Facility and such further investigation of the Project and its economic effects as the Agency has deemed appropriate, the Agency makes the following determinations with respect to the Project:

(A) Although the Project does constitute a project where facilities or property that are primarily used in making retail sales to customers who personally visit such facilities constitute more than one-third of the total project cost, the Project is located within census tract 9511, which is contiguous to census tract 9506, which is considered to be a distressed census tract and therefore is in a “highly distressed area”, as that term is defined in Section 854(18) of the Act;

(B) The granting of the Financial Assistance by the Agency with respect to the Project, through the granting of the various tax exemptions, will promote the job opportunities, health, general prosperity and economic welfare of the inhabitants of Allegany County, New York and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act;

(C) The completion of the Project will serve the public purposes of the Act by preserving permanent, private sector jobs or increasing the overall number of permanent, private sector jobs in the State of New York; and

(D) The chief executive officer of Allegany County, New York shall confirm the proposed action of the Agency.

Section 3. Based upon the findings made in Section 2 above, the Agency hereby determines that undertaking the Project will serve the public purposes of the Act by increasing the overall number of permanent, private sector jobs in the State of New York.

facilities or projects that are primarily used in making retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance with respect to the Project pursuant to Section 862(2)(b) of the Act because the Project is located within census tract 9511, which is contiguous to census tract 9506, which is considered to be a distressed census tract and therefore is in a “highly distressed area”, as that term is defined in Section 854(18) of the Act.

Section 5. Having reviewed the Public Hearing Report, and having considered fully all comments contained therein, and based upon the findings contained in Section 1 above, the Agency hereby determines to proceed with the Project and the granting of the financial assistance described in the notice of the Public Hearing; provided, however, that no financial assistance shall be provided to the Project by the Agency unless and until the Chairman of the Allegany County Board of Legislators, New York, as chief executive officer of the Allegany County, New York, shall, pursuant to Section 862(2)(c) of the Act, confirm the proposed action of the Agency with respect to the Project.
